MEMORANDUM FOR THE DIRECTOR

SUBJECT: A. Estimates Schedule for First and Second Quarters, 1964
B. Quarterly Supplement to the Priority National Intelligence Objectives

1. The referenced two documents were coordinated with the representatives without difficulty and we expect no problems at the USIB.

2. The schedule of estimates stands substantially as it appeared in the draft which I went over with you a few days ago. However, the estimate on Italy is to be done on 4 March instead of 12 February; and an estimate on bacteriological warfare has been added for the month of May.

FOR THE BOARD OF NATIONAL ESTIMATES:

SHERMAN KENT
Chairman
